naruto shippuden ultimate ninja storm revolution - dlc6 suit pack

Knock, knock. Who's there? The moon... it's far away! You were alone the whole time! Ha ha ha!. Unfortunately for fangirls, Birthday Suiting Up is not a valid option in this dlc.

Like their male gaming counterparts they simply dress up their genderbent characters in smexy clothes.. One of the coolest dlc damn straight!! 10V10. Yeahh boyyy!!! dat minato! :D Finally! :)

10V10. Classy :)

Just the way I like it. Well, I guess if you've ever wished for Minato to take a page out of Barney Stinson's book then your prayers are answered. But who on the team decided to focus on Sai before making Madara, Kakashi and Itachi suave?
